

City of Fairfax Park Bench Program

2022 BENCH PRICING

4' Limestone Bench w/o back
\$795.00

6' Punched Steel Bench
\$995.00

6' Concrete Bench with back
\$1095.00

The Fairfax Parks and Beautification Committee has opportunities for residents, businesses, and organizations to enhance and beautify our parks, trails, fishing pond, and the Prairie Creek area through the donation of decorative benches.

These benches make wonderful memorials.

We are currently offering three types of benches as shown with the pricing above. The prices include installation of the chosen bench and a 2-6 line engraved plaque. Engraving of the 4' limestone bench is on the front of the bench as shown.

The Parks and Beautification Committee and Fairfax staff will work with the donor to site the bench. Please contact Joe Kell at jkell@cityoffairfax.org or call the Fairfax City Hall at 319-846-2204 for more information.

**We also have room for one more 42" picnic table at the splash pad.
Contact Joe Kell at jkell@cityoffairfax.org for more details.**
