

FAIRFAX OFF-LEASH DOG PARK

Mission Statement

Expand our current park landscape usage to benefit the community by establishing a fenced environment where owners may exercise and train their well-behaved dogs in an off-leash, clean, safe environment without endangering or annoying people, property or wildlife as well as enhancing positive interaction between dog owners willing to uphold the park's rules and restrictions. This off-leash area is viewed as a partnership between the community and the City of Fairfax, designed to satisfy the needs of dog-owners and non-dog owners alike.
